

NEW PUBLICATIONS.

To the series of "Ancient Classics for English Readers," of which we have several times spoken in commendation, the Rev. W. Lucas Collins, has added excellent prose synopses of The Iliad and The Odyssey. They are published in this country by J. B. Lippincott & Co.

J. B. Lippincott & Co. have just issued two new volumes, which we take to be the advance guard of a new duodecimo edition of the novels of Anthony Trollope, of which there is at present no uniform set available.

Messrs. Scribner & Co. announce that their magazine, Hours at Home, is to be entirely remodeled and renovated—to be changed, in fact, to such an extent that it will be nothing left of it, and in its place will arise Scribner's Monthly, an illustrated magazine for the People, edited by Dr. J. G. Holland.

American Photo-Lithographic Co. OFFICE has been removed to No. 143 Nassau St., N. Y. VALUABLE SERIES.

THE MONEY MARKET.

Table with columns for 'SALES AT THE STOCK EXCHANGE—FIRST CALL', 'SALES OF GOVERNMENT BONDS', and 'SALES OF STATE BONDS'. It lists various securities and their market prices.

During the early part of the day, the dullness in the different markets at the Exchange amounted almost to a suspension of business. In the afternoon there was more activity, and an improved feeling on the foreign news which was favorable to the Prussians, and in a measure cleared up the doubts which prevailed as to the result of the recent engagements between the hostile armies.

The aggregate amount of exports (exclusive of specie) from the Port of New York, for the week ending Aug. 16, 1910, was \$2,288,148.

BANKING AND FINANCIAL.

THE CENTRAL PACIFIC R. R. 6 per cent GOLD BONDS, having 30 years to run, are to-day selling at 86.25. At the rate of 88.10 they yield 7 per cent in gold. Interest and principal payable in gold coin, in New-York City.

They are secured by a First Mortgage on property worth four times their total issue; a road having a princely revenue—nearly \$2,000,000 for the first six months of this year, and \$7,800,000 for July, being an increase of \$800,000 over the large revenues of the same period last year, while the annual interest payments are \$1,900,000. They are as good and as safe as Government Bonds. Holders of the latter would do well to capitalize the difference while the Centrals are so low—occasioned by the return of these Bonds from Germany, on account of the terrible war now raging in Europe. The amounts now coming are small, and are being steadily absorbed by heavy capitalists here.

THE U. S. TREASURY SIXES—principal and interest payable in lawful money—with an average of 26 years to run, at 113 flat, pay only 5 per cent currency. TEN-FORTIES, with 24 years to run if it is not called in, at 113 flat, pay only 5 per cent currency.

Interest allowed on all day balances of gold coin or currency accounts at market rates. Persons depositing with us can check at sight, in same manner as upon any of the banks.

Certificates of Deposit issued payable on demand or at a fixed date, bearing interest at the current rate. We draw Bills of Exchange, make telegraphic transfers of money in London, and issue credits available throughout Europe.

We are prepared to take Gold Accounts, on terms the same as for Currency; to receive Gold Deposits, bearing interest, and subject to check at sight; to issue Gold Certificates of Deposit; to make Advances in Gold against Currency and other Collaterals; and to afford Banking Facilities generally upon a Gold Basis.

THE MARKETS. Carefully Reported for THE TRIBUNE. Friday, August 17, 1910. WHEAT—The market is quiet and prices are steady. Corn—The market is quiet and prices are steady. Cotton—The market is quiet and prices are steady.
